

**RESOLUTION NO. 2017-06-19-2**

**BE IT RESOLVED BY THE CITY OF LLANO, TEXAS, THAT THE CITY COUNCIL OF THE CITY OF LLANO AMENDS THE LOCAL CONTRACTOR USE OF CITY OF LLANO CITIZEN COLLECTION STATION IN THE CITY OF LLANO.**

**WHEREAS,** The City of Llano desires to assist in the efficient disposal of contractor waste of jobs being done within the City of Llano, and

**WHEREAS,** The City Council desires to approve a policy that will allow the disposal of construction waste, under certain conditions, at the City's Citizens' Collection Station, and

**WHEREAS,** The City is not in violation of any contract by allowing Contractors to dispose of construction waste at the Citizens' Collection Station;

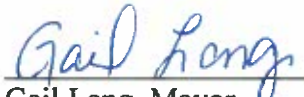

**NOW THEREFORE BE IT RESOLVED** it is the policy of the City of Llano to allow up to twenty (20) yards of construction waste, per job, providing the contractor provides a labeled building permit, issued by the Building Official at the time of dumping. It shall also be the policy of the City of Llano that contractors shall pay the resident rate per yard for dumping; and that contractors working outside the City limits may dump construction waste providing the appropriate non-resident fee is paid.

**PASSED AND APPROVED** this the 19<sup>th</sup> day of June, 2017.

ATTEST:

  
Toni Milam, City Secretary

  
Gail Lang, Mayor
