

RESOLUTION 2016-04-10-1

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LLANO:

WHEREAS, the Texas Commission on Environmental Quality has made known to the Mayor of the City of Llano, Texas its intention to consider the establishment of a watermaster on the Llano River; and

WHEREAS, having looked into and considered the costs and benefits of a watermaster program, the City Council of the City of Llano finds that such a program would result in additional expense to and regulation of water rights holders in the region without resulting in offsetting benefits; and

WHEREAS, the City Council of the City of Llano believes that working cooperatively with stakeholders in the basin will prove more fruitful and cost effective; and

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Llano opposes the establishment of a watermaster on the Llano River in Texas.

APPROVED and **PASSED** this 10th day of April, 2012.
