

CITY OF LLANO - RESIDENTIAL BULK WASTE OPTIONS

Bulky Waste Collection

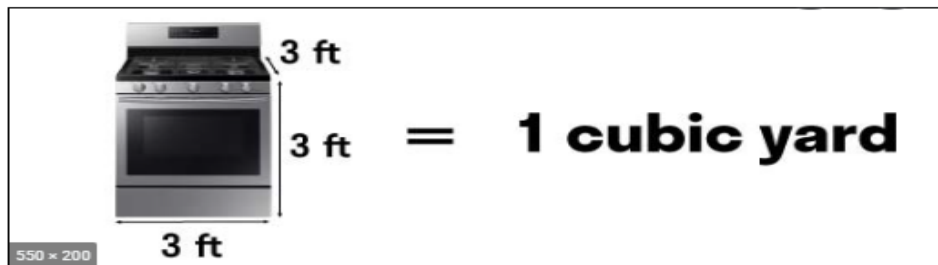

- 🗑️ **Pre-Arranged Collections**- Residents will be allowed to place bulky or bundled items for curbside pickup for single-family residences on their regularly scheduled service day. These items need to be reasonably contained, not measure in excess of 48 inches in length and not exceed 2 cubic yards in total volume, or exceed 50 lbs. in weight. *Pre-arranged collections must be scheduled in advance, through the City, no additional fees apply.*
- 🗑️ **Negotiated Collections** - Residents may schedule individual bulk item pickups that exceed 2 cubic yards, as needed, for an additional fee. These requests can be submitted through the City and Waste Connections will provide the cost for the service, along with coordinating a pickup date.

Bulky Items – Any item not measuring more than 48” in length, 50 lbs. in weight, or more than 2 cubic yards in volume. These include, but are not limited to, stoves, washing machines, water tanks, chairs, couches, and other similar household items.

Bundles- Items not measuring more than 48” long, 40 lbs in weight, or in excess of 2 cubic yards and which are securely fastened together, including, but not limited to brush, newspapers and tree trimmings.

What does a cubic yard look like?

3' (width) x 3' (length) x 3' (height) divided by 27=1 cubic yard
