City of Llano

Tap request Information/packet

Documents required when submitting tap request form

- **Boundary Survey**: is used to identify a property's boundary lines. In this type of survey, the surveyor will set (or recover) the property corners and produce a detailed plat or map.
 - **Aerial image of property with proposed home site**
 - **Proof of Ownership**: Deed or settlement statement.
 - **City of Llano's service request packet**
-
- We will address the property if it has not been addressed already.

 - Once documents are submitted, we will then address the property and send out documents to appropriate departments for desired services.

Document check list

- Boundary Survey
- Aerial image of property with proposed home site
- Proof of ownership
- City's service request packet
